What This Warranty Does NOT Cover...

JELD-WEN manufactures only the composite door "sections" of the garage door system. We do not assemble the door "sections" nor do we provide parts or components (e.g. hinges, springs, tracks, operating mechanisms, glass, etc.) See your distributor or dealer regarding the warranty on the entire garage door system and on these other components.

We are not liable for:

- Normal wear and tear; problems due to misuse, abuse, failure to follow the care and maintenance instructions, or as a result of any cause beyond our control (e.g. fire, flood, earthquake, other acts of nature, exposure to corrosive fumes, and acts of third parties outside of our control).
- Problems related to painting and/or staining.
- Structural integrity issues or problems caused by improper fitting of the hardware or sizing of the sections.
- Hardware, inserts, or components that are not provided by us, such as hinges, springs, tracks, operating mechanisms, glass, etc.

- Damage or poor product performance resulting from installation into a condition that exceeds product design standards and/or certified performance specifications and/or does not comply with applicable building codes
- Incidental or consequential damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this may not apply to you.
- Minor visibility of center vertical seam on Traditional Series 16' and 18' door widths is not considered a defect.
