We warrant that JELD-WEN products will be free from defects in material or workmanship as identified below from the date of manufacture for the time periods described below.

**Owner-Occupied Single-Family Residence Limited Lifetime Warranty**

We warrant our products to the original owner of the owner-occupied single-family residence in which they are initially installed **for as long as you own and occupy your residence** (except as indicated under Special Coverages below). This warranty includes **free** replacement parts and any skilled labor<sup>3</sup> (where deemed necessary by us) to repair or replace components of the window or patio door.

**Transferability:** The Owner-Occupied Single-Family Residence warranty is transferable as follows. In the event you sell your residence or it becomes occupied by other than the original owner, the warranty is **ten (10)** years from the date of manufacture. Skilled labor<sup>3</sup> (where deemed necessary by us) to repair or replace any component is provided for **two (2)** years from the date of manufacture.

**Commercial Ten Year Limited Warranty (Other than Owner-Occupied Single-Family Residence)**

We warrant our products to be free from defects in material or workmanship for a period of **ten (10)** years (except as indicated under Special Coverages below) from the date of manufacture. **ImpactGard® Glass:** We warrant each ImpactGard glass unit for **ten (10)** years.

**Special Glazings** (including laminate glass units other than ImpactGard): We warrant special glazings (including glass options not listed in our product literature, e.g., leaded or decorative glass) for **five (5)** years.

**Blinds/Shades Between the Glass:** We warrant the insulated glass unit (including the seal), the external control mechanism, and the operation of the shade/blind for **ten (10)** years.

Spontaneous breakage occurs when the glass develops a crack without sign of impact.

**Retractable Screens:** We warrant retractable roll screens for **five (5)** years.

**Accidental Glass Breakage and Screen Damage:** On our Bravo and Primo Replacement window and patio doors product lines, our standard component warranty (Owner-Occupied or Commercial) will extend to screen damage and to glass breakage (for products ordered with double-strength or thicker annealed glass only), unless the damage is attributable to acts of nature (e.g. fire, hurricane, etc.), civil disorder, building settling, structural failures of walls or foundations or improper installation, storage, or handling. Special glazings and ImpactGard glass are not covered by this glass breakage warranty.

### How to Get Assistance...

If you have a problem with your JELD-WEN product, contact the dealer/distributor or contractor from whom you purchased your product or contact us directly:

Mail:	JELD-WEN Customer Care Attn: Vinyl Warranty Claims P.O. Box 1329, Klamath Falls, OR 97601
Phone:	888-JWHelpU (888-594-3578)
Fax:	800-436-5954
E-mail:	jeldwenwarranty@jeld-wen.com

We can respond quickly and efficiently if you provide the following: a) product identification (from the original order/invoice, spacer code, permanent label, or the window identification number found on corner of glass), b) how to contact you, c) the address where the product can be inspected, and d) a description of the apparent problem and the product (photographs are helpful).

### What We Will Do...

Upon receiving your notification, we will send out an acknowledgement within three business days. We will investigate your claim and will begin to take appropriate action within 30 days after notification. If it is determined that the product does not have a defect covered by the labor warranty, we may charge an inspection fee for any onsite inspection that is required or requested by you. Because manufacturing materials and techniques can change, replacement part(s) may not be an aesthetic match to the original. Replacement components/products are warranted for the balance of the original product warranty or 90 days, whichever is longer. If we determine we are unable to provide replacement parts and repair is not practicable or cannot be made timely, then we will refund the unit/component purchase price. This guarantee gives you specific legal rights, and you may have other rights that vary from state to state.

### What This Warranty Does Not Cover...

JELD-WEN is not liable for:

- Normal wear and tear; natural weathering of surfaces.
- Normal wear and tear to hardware and naturally occurring changes to hardware finishes (e.g., corrosion or tarnishing).
- Damage caused by chemicals (e.g. brick wash) or a harsh environment (e.g., salt spray or airborne pollutants).
- Product failure due to misuse or abuse; damage caused by failure to provide maintenance, by alteration or modification to the window (e.g. customer applied tints or films, paint finishes, security systems), or as a result of any cause beyond the reasonable control of JELD-WEN (e.g. fire, flood, earthquake, other acts of nature, and acts of third parties outside of our control).
- Glass breakage (except as specifically covered above).
- Slight imperfections or wavy distortions in the glass that don't impair structural integrity. Note: wavy distortions in the glass (e.g. related to laminate interlayer or heat strengthening of glass) are not considered a defect. Slight color variations in glass are not considered a defect.
- Improper installation not in conformance with JELD-WEN installation instructions (note: see [www.jeld-wen.com](http://www.jeld-wen.com) for current installation instructions); operational problems and problems related to water and/or air infiltration/leaking as a result of improper installation or flaws in building design or construction.
- Damage or poor product performance resulting from installation into a condition that exceeds product design standards and/or certified performance specifications and/or is not in compliance with building codes.
- Damage caused by extreme artificial temperature buildup or exposure (e.g., where storm doors/windows are present).
- Product or component performance decline due to aging, inert gas dissipation, natural processes or failure to provide proper maintenance. Note: Other than inert gas loss due to seal failure, the migration of an inert gas, such as argon, is a natural process that occurs over time and is not a defect.
- Screen damage due to normal wear and tear, misuse, abuse, or insect or animal activity (except as specifically covered above).
- Condensation or damage as a result of condensation (Note: unless due to insulating glass failure, most condensation problems are related to excessive humidity levels in a structure. Contact a heating/air conditioning specialist for help).
- Labor and materials for repainting or refinishing activities or the removal or disposal of defective product(s); labor exceeding the time periods specified above.
- Incidental or consequential damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this may not apply to you.

**Important Legal Information**
